

AUTOMATIC SPRAYER Type 617

Optimal
spraying
quality

Driv'ER² :
Automated operating / job
follow up

Enhanced security /
Easy maintenance

The binder sprayer accessible to everybody

Mounted on 4, 6 or 8 wheeler truck

A spraying of quality for your surface dressing

- ▶ Telescopic spray bar made of 3 arms : width from 3,2 to 4,4 m ; dosage from 0,2 up to 2,2 L/m².
- ▶ Stainless steel pneumatic jets, removable, with indexed nozzles, 100 mm centerline for a triple overlap on the ground.
- ▶ 3 spraying modes : fixed ; jet by jet ; cm by cm
- ▶ Automatic switch between 1 jet / 2 and 1 jet / 3 for low dosages
- ▶ Hand lance
- ▶ **Optional** : border jets ; remote control ; aditive device ; shock sensors

Tank / Heating / Binder distribution

- ▶ Elliptical tank for emulsion from 6 000 to 18 000 L, following truck GVW
- ▶ Direct heating with automatic fuel burner
- ▶ Binder distribution (pump, filter, valves...) with access from the ground
- ▶ 45m³ heated binder pump
- ▶ Pneumatic valves block (BVX) for binder distribution
- ▶ **Optional** : overnight heating ; pump, filter and spraybar thermic fluid heating

Security / Maintenance / Respect of the environment

- ▶ All spraying and cleaning operations managed from the cab
- ▶ Filling dome acces with secured platform.
- ▶ Care and maintenance designed from the conception of the machine.
- ▶ Elements positioned consistently and all accessible from the ground
- ▶ Automated cleaning device without any binder rejection on the ground
- ▶ Energy consumption and row materials follow up .
- ▶ Rearview camera

Computer new generation : Driv'ER²

- ▶ Computer Driv'ER² in the cab, touch screen, with joystick mounted on ergonomic arm : Easy and intuitive navigation
- ▶ Programming of binder dosage
- ▶ Binder pump speed regulation
- ▶ Truck engine regulation in order to get the perfect work speed.
- ▶ Individual jets On / Off (with joystick)
- ▶ Archiving and monitoring of jobs data (surface, dosage, temperature ...)
- ▶ **Optional** :
 - Job follow up : printer ; USB ou GPRS
 - **Vox'ER device** : driving assistance by voice command
 - 360° outlook camera

Nota : All our machines are supplied with a testbed certificat passed on our homologated testbed (n°2010 - 20/02)
