On the road with you

# Experience and high technology for your surface dressings

Mounted on 4, 6 or 8 wheeler truck and semi-trailer

## A spraying of quality for your surface dressing

- ▶ Telescopic spray bar made of 3 arms : width from 4,4 to 6,2 m ; dosage from 0,2 up to 2,2 L/m<sup>2</sup>.
- ▶ Shock sensors
- ▶ Stainless steel pneumatic jets, removable, with indexed nozzles, 100 mm centerline for a triple overlap on the ground.
- ▶ Border jets
- ▶ 3 spraying modes : fixed ; jet by jet ; cm by cm
- ▶ Automatic switch between 1 jet / 2 and 1 jet / 3 for low dosages
- ▶ Hand lance
- ▶ **Optional** : remote control ; additive device (single or double) ; bi-dosage for tyre treads

## Tank / Heating / Binder distribution

- ▶ Elliptical ADR tank, insulated, from 7 000 to 23 000 L
- ▶ Direct or thermic-oil heating with automatic fuel burner
- ▶ Binder distribution (pump, filter, valves... ) with access from the ground
- ▶ 45m<sup>3</sup> heated binder pump
- ▶ Pneumatic valves block (BVX) for binder distribution
- ▶ **Option** : not ADR, overnight heating, sacrificial anodes

## Security / Maintenance / Respect of the environment

- ▶ All spraying and cleaning operations managed from the cab.
- ▶ Filling dome acces with secured platform.
- ▶ Care and maintenance designed from the conception of the machine.
- ▶ Elements positioned consistently and all accessible from the ground
- ▶ Automated cleaning device without any binder rejection on the ground
- ▶ Energy consumption and raw materials follow up .
- ▶ Rearview camera

## Computer new generation : Driv'ER<sup>2</sup>

- ▶ Computer Driv'ER<sup>2</sup> in the cab, touch screen, with joystick mounted on ergonomic arm : Easy and intuitive navigation
- ▶ Programming of binder dosage
- ▶ Binder pump speed regulation
- ▶ Truck engine regulation in order to get the perfect work speed.
- ▶ Individual jets On / Off (with joystick)
- ▶ Archiving and monitoring of jobs data (surface, dosage, temperature ...)
- ▶ **Optional** :
  - Job follow up : printer ; USB ou GPRS
  - **Vox'ER device** : driving assistance by voice command
  - 360° outlook camera

*Nota* : All our machines are supplied with a testbed certificat passed on our homologated testbed (n°2010 - 20/02)
